DOB – 28/10/1994

ACADEMIC PROFILE

Degree	Year	Name of Institution	Percentage/CGPA
Msc. Financial Economics	2018-2020	Gokhale Institute of Politics and Economics, Pune	8.2 (Pursuing)
B.Tech + MBA	2012-2017	Institute of Management, JK Lakshmi Pat University, Jaipur	9.0
XII	2012	Sophia Senior Secondary School, Bhilwara	88.8 %
X	2010	Sophia Senior Secondary School, Bhilwara	9.4

WORKING EXPERIENCE

- **A&D International Pvt. Ltd.** (April 2017 – Dec. 2017)
Designation: Merchandiser
Work Description: Working closely with buyers and other merchandisers to plan product ranges, meeting with suppliers, distributors and analysts, managing budgets, predicting sales and profits, negotiating quantities and delivery time-scales, managing levels and distribution of stock, handling supply/production problems as they arise, setting stock promotions/price reductions as appropriate & assessing sales performance of different ranges.

INTERNSHIPS

- **Birla Cement Works, Chittorgarh** (Dec. 2015-April 2016)
Project Title: Construction of a multi-specialty hospital
Work Description: The objective was to study the sequence of construction work in a multi-specialty hospital and the architectural requirements and design of an operation theatre and ICU. My work in this internship was to inspect the tile work, flooring and waterproofing of roof.
- **Umesh Construction Company, Chittorgarh** (May 2014 – June 2014)
Project Title: Expansion of Nitin Spinners Ltd.
Work Description: The objective was to observe and understand the sequence and execution of construction work in a textile company and also the cross-management among various departments such as quality assurance, inspection, planning, on-site management and workers safety.

ACADEMIC PROJECTS

- **Performance Evaluation of small cap, mid cap and large cap mutual funds.** (September 2018)
-Performance of six mutual funds (two from each category) was evaluated with the help of Treynor, Jensen and Sharpe Ratios.
- **Comparative Analysis of Patanjali Ayurved Ltd. and Dabur India Ltd.** (October – November 2018)
-Industry analysis for the companies was done using Pestle, SWOT, Five Forces Model, BCG matrix and Value Chain Analysis. Du-Pont Ratio Analysis was used to compare their performance with each other.
- **Is the grass green on the other side of green growth?** (August – November 2018)
The green growth policies of three countries (Ethiopia, South Korea & Denmark) at different stages of development were studied and analysis was done to find out how effective they have been. On the basis of the study some suggestions were given on how green growth can be used for development in India.
- **The effect of counterfeits on the image of genuine brands.** (August 2016 – March 2017)
-Three luxury brands namely, LV, Gucci and Prada were selected and the effect of trademarked counterfeits on the image of these brands was studied with the help of regression analysis using SPSS. Around 160 Structured Questionnaires were distributed and data was collected in Excel.
