STATEMENT OF INTENT

I am actively looking for a challenging opportunity to widen my understanding and aptitude in the domain of Social Sciences. I come from a multi-disciplinary background in social sciences and certain have to offer a lot in terms of research and analysis. My specialised interest lies in Community participation, rural development and social work. I also have a strong passion for qualitative and quantitative data analysis skills. I believe with my present dedication and an unbeaten zeal to learn, I could serve the required role for your esteemed organisation.

(Jagatpal Singh)
